

**Dementia Action Alliance**

# **PRE-CONFERENCE DEMENTIA WORKSHOP INTENSIVE – June 20, 2019**

**Westin Buckhead Hotel ♦ Atlanta, Georgia**

G. Allen Power, MD, author of *Dementia Beyond Disease*, is presenting a highly-interactive full-day pre-DAA conference workshop on Thursday, June 20, 2019, from 8:00 – 3:00 p.m.

Workshop participants will –

- Gain knowledge and skills about a transformative well-being framework that provides person- and relationship-based supports and care for individuals living with dementia.
- Review basic, but essential skills for communication and understanding, and to better recognize distress signals.
- Improve abilities to enhance well-being and sustain long-term reduction in the use of psychoactive medications.

To register, go to  
<https://optplanning.com/daanow/2019registration.php>

[The registration fee for this Intensive is separate from the  
Dementia Action Alliance's conference registration.]
